Forecast For East of England
Issued by Met Office Exeter
at 1600 on Tuesday 13 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy but dry this evening, warmer from tomorrow.

This Evening and Tonight:
A cloudy evening across the region but staying dry for most. Turning misty at times along the coast with the odd spot of coastal drizzle. Minimum temperature 14 deg C (57 deg F).

Wednesday:
A cloudy start with the odd spot of coastal drizzle. However, skies will brighten during the morning with some warm afternoon sunshine likely, as well as perhaps an isolated shower. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:
Largely dry and warm through this period, with long sunny spells. Mist and low cloud may affect coastal areas, where it will be a little cooler, during the morning.
